

REMARKS

As a result of the foregoing amendment, original claims 1-10 have been cancelled and replaced by new claims 11-19.

Claims 11-19 correspond to the claims which were presented during the International phase of the present application.

Accordingly, it is submitted that no new matter has been added as a result of presenting new claims 11-19.

In the Notice of Non-Compliant Amendment, Item 3 "Amendments to the Drawings" is also checked. However, the Examiner did not indicate what needs to be corrected in connection with the drawings.
